*Eagle Flight Squadron, Inc.  
Youth in Aviation*

*A Brief History and Introduction*

*The Eagle Flight Squadron, Inc. originally known as Eagle Flight Explorer Post 290 was founded by Reverend Russell White in 1975 at Bethel Baptist church, Orange, N.J. Even though the name has changed, the theme, "Look up and be looked up to" remains the same. Originally, the program was designed to train inner city youths ages 12 to 15. More recently, the program has successfully expanded to include students as young as 12 years of age.*

*The unique program not only provides flight instruction, career development, social interaction, and keen appreciation for discipline, but it stresses dignity, honesty, and integrity.*

*The goals of Eagle Flight are high standards and are exemplified through high quality teaching techniques and attitudes of the staff. They maintain stimulating classrooms, provide understanding with their learning process through four levels: Awareness, Knowledge, Problem Solving, and Participation.*

*To date, over 300 students have graduated from Eagle Flight. Many have been accepted into the Naval and Air Force academies, aviation schools, and various colleges. Some of our former students have gone on to become commercial pilots, aviation engineers, navigators, and even aviation attorneys. Most of all, Eagle Flight graduates experience success in whatever their endeavors have been.*

*Thank you,*

*Rev. Russell A. White*
